

Discover the ideal coverage you may need in your life stages

Getting Started

Age 21 – 30

- I work my way towards my aspirations.
- I want to experience everything.
- I value my independence but I also want to give back to my parents.
- I plan to start my own family.

Moving Up

Age 31 – 40

- Family is my key concern.
- Everything I do is for them because I want to ensure that they are well provided for. Their needs are my priority.

SINGLE

- I enjoy being single and there are so many personal goals I plan to achieve.

Preparing for Retirement

Age 41 – 60

- I have to make sure that I am able to provide for my needs as well as my loved ones.
- With fewer expenses like education to worry about and my mortgage nearly paid off, it is time to think about retirement.

SINGLE

- Maintaining my lifestyle after retirement is so important even though I plan to retire earlier.

Enjoying Retirement

Age 61 – 80

- I want to live my retirement years in comfort and pursuing lost passions.
- During these years, I intend to devote more time for my family, my hobbies and interest.
- I plan to orderly transfer my wealth to my loved ones.
