4 Other Key Terms

- **Importance of disclosure** - You must disclose all material facts such as the medical condition and the age or date of birth correctly. If the insurance policy is intended wholly for your personal purposes, you must take reasonable care to disclose any facts that you know to be relevant to us and not to mislead us. Your above duty of disclosure continues until the policy is issued.
- **Nomination** - You may nominate a nominee and ensure that your nominee is aware of the plan that you have purchased.
- **Changes to contact details/personal details** - It is important that you inform us of any changes in your contact details to ensure that all future correspondences reach you in a timely manner.
- **Grace period** - You are given a grace period of 30 days from the premium due date for the payment of premium. If you do not pay the premium within 30 days of grace period from the premium due date, there will be a possibility that at any time the total account value might be insufficient to support the basic policy and the rider(s) attached (if any) and your policy might lapse.
- **Lapse of policy** - The policy shall lapse when the account value becomes insufficient to cover the cost of insurance and service charge.
- **Account value** - The value of the investment account of your investment-linked policy depends on the performance of the investment-linked funds selected. The higher the level of insurance coverage selected, the more units will be absorbed to pay for the cost of insurance and the fewer units will remain to accumulate account value under your policy. Any partial withdrawal will reduce the value of the investment account, which may lead to insufficient funds to cover future fees and charges.
- **Extension of coverage** - Upon expiration of the policy, the insurance coverage will be automatically extended up to age 99 of the life assured, which may require additional premiums. Please refer to the Appendix - Extension of Insurance Coverage for further details.

Note: This list is **non-exhaustive**. Please refer to the policy documents for the full list of terms and conditions.

? Can I cancel my policy?

Yes, you may cancel your policy by giving a written notice to us.

- **Free look period** – You may cancel your policy by giving us a written notice within 15 calendar days from the date of delivery of the policy. We will refund the sum of the unallocated premiums, the account value as at the valuation date immediately following the date we receive the notice and any cost of insurance and service charge that have been deducted, less any expenses we incurred for any medical underwriting required for the issuance of this policy.
- **Written notice** – You may cancel your policy at anytime by giving written notice to us. Once the policy is surrendered, the total account value will be payable to you. The amount payable may be less than the premium paid and all the benefits and rights under the policy will end.

Important Note:

This is an insurance product that is tied to the performance of the underlying assets, and is not a pure investment product such as unit trusts. You must evaluate your options carefully and satisfy yourself that the investment-linked plan chosen meets your risk appetite and that you can afford the premium throughout the policy duration. To increase investment value at any time, it is advisable that you pay the additional premiums as 'top-ups'. Return on an investment-linked fund is not guaranteed.
